

Autumn 1 Week 6 & 7

SCFM NEWS

Dear Families,

Well the last two weeks have been absolutely jam packed full of fun and exciting events. We kicked off with our **TTRS Day**. Boys across KS2 dominated the competitions in KS2, except for Year 6 where the girls smashed it!

Bake Off was once again a huge success. Thank you so much for all the wonderful bakes you brought in and all the money raised by buying them all back! We raised just over **£200** which will go towards the Y6 Paris Trip, helping us to keep the price down for parents again this year.

Year 6 & Year 4 took part in their **Kindness Workshops** and made some lovely tokens for one another.

Our Wellbeing Ambassadors led the **Inside Out Wellbeing Day**. The whole school came out in colour and all the children got to complete activities in the afternoon.

This afternoon Y6 took part in a **lantern making workshop**. The lanterns they've made will feature in the upcoming parade at Lister Park.

Thank you to all the parents that came to **Parent/Carers Evening** over the past week. Of those who booked an appointment **97%** of you came and this equates to **88%** of parents and carers overall. Thank you to those who completed the survey, the link will remain live until the end of the weekend. I'll then compile the results and communicate them to you ASAP.

God Bless,

Mrs Varley
